Financial Regulation

Nursery

2025/2026

1. Fees for the school year

a. Tuition Fees (by school year)

	Annual fees
For children aged 11 months to under 3 years before 31 December of the current school year	6 150 €* 6 150 €

*Full-time childcare and school holiday childcare are included in the school fees.

The school fees are payable according to the payment methods, chosen by the student's legal representatives. They make the general running of the school possible so it is extremely important to respect the deadlines.

In case of school trips, an additional participation may be requested from the parents. Invoices can be issued during the course of the year. School trips and outings are invoiced and paid in advance before the event.

Applicable discounts:

- A reduction of **4 %** is applied on the tuition fee for the 2nd youngest child of the same family schooled in the school.
- A reduction of **10 %** is applied on the tuition fee the 3rd youngest child of the same family schooled with the school, **15 %** for the 4th child, **20 %** for the 5th child ...
- A reduction of **4 %** is applicable on tuition fees if they are paid in 1 (ONE) transaction (cumulative with the reductions related to the number of children) and if the registration forms are sent to the school before July 20th.
- A reduction of **2 %** is applied on tuition fees if the direct debit payments is implemented (cumulated with the reductions related to the number of children) and only if the form is filled out before August 29th the latest.

Note: The discounts only apply on the tuition fee and does not apply on any other fees.

a. 1st Registration and Application Fee

1st Registration	Application Fee
360 €	70 €

Registration and application fees are mandatory and payable at the student's administrative registration as of June. They are not refundable in case of withdrawal of the student. The first registration fee and application fee are invoiced right after the child is registered to our school in order to reserve a spot. For children that were already registered, the application fee is invoiced every year on the first invoice.

Financial Regulation

Nursery

2025/2026

b. Other Mandatory Fees

Nursery equipment including nappies	Insurance*	Morning snack**
170 €	38 € (only from 2 y.o.)	210 €

* In the case of an increase in the price for insurance from the company, the school reserves the right to make an intermediate price adjustment.

The cost of teaching materials includes the teaching folders, textbooks and exercise books supplied to each student. They are included in the first invoice of the school year.

The insurance cost is mandatory and allows children over the age of 2 on September 1st to be covered concerning civil liability for school and extracurricular activities. Details are available on insurance company's website: http://www.expats-care.com/#/products/pr_scolinteleve. These costs are included in the first invoice of the school year.

** In the event of a special diet, families may choose to bring a morning snack box, in which case the cost of the morning snack will be deducted.

c. d. Other Fees: School lunch 2023/2024 (please tick the chosen option)

Annual Options (tick the chosen option)	Price*
<input type="checkbox"/> Afternoon snack (5 days)	210 €
<input type="checkbox"/> Afternoon snack provided by the family	0 €
<input type="checkbox"/> 5 Lunches weekly (Monday-Friday)	657 €
<input type="checkbox"/> 3 Lunches weekly (Monday-Friday)	390 €
<input type="checkbox"/> Pack lunch provided by the family	0€

*In the case of an increase in the price of the meal and/or snack during the year from our supplier, the school reserves the right to make an intermediate price adjustment.

The package is valid for the year, excluding school vacations. Only justified absences (with medical certificate) of more than 5 consecutive school days give the right to a credit note for the amount of the meals not consumed (at a unit rate of **3€65**).

Please inform the administration as soon as possible in case of prolonged absence.

Nursery

2025/2026

2. Arrival and Departure during school year

a. Arrival during the year

An admission during the school year is possible. In this case the calculation of school fees, day-care, canteen and clubs will be pro rata temporis for the presence of the student (every started month is due). Other mandatory fees (teaching material, application fee, first registration, insurance fee) will be payable in full.

b. Withdrawal and re-enrolment

In the case of withdrawal from the school demanded by parents during the school year, an application fee for re-enrolment (70 EUR) is charged again.

c. Leaving during the year

In the event of early departure during the year, one month's notice (except in the case of force majeure) is required from the families in order to benefit from a reimbursement of school fees in pro rata temporis of the pupil's attendance. Any month started is considered due. All other costs cannot be reimbursed. The request can be made by mail or email and addressed to the secretariat of the institution.

d. No presentation of the student at the beginning of the school year

In case of withdrawal of the student before the beginning of the school year, a reimbursement of the tuition fee already paid may be made upon a written request (mail or email) of the parents. This request must be sent to the school's secretariat before the start of the school year. All other costs cannot be reimbursed.

3. Payment

a. Payment Choice

The payment of the invoices is made only by bank transfer to the account of Institute of the French International school in Ljubljana :

Delavska hranilnica d.d. Ljubljana
Miklošičeva cesta 5
1000 Ljubljana
Mednarodna Francoska šola v Ljubljani
IBAN: SI56 6100 0002 7909 866
BIC: HDELSI22

No payment in cash will be accepted.

Under ZDDV-1, Article 42, paragraph 8, tuition fees are not subject to VAT.

Financial Regulation

Nursery

2025/2026

From the second occasion, that the reference number starting with SI12 is not added to any payment transferred to the school, 10 EUR administrative fee is charged.

a. Late Payment

In the event of late payment, the school may charge interest in accordance with the ZPOMZO-1 Slovenian Law. The late payment interest shall begin to apply on the day following the payment deadline. The penalty will be calculated via the official application of the Supreme Court of Slovenia available on the internet (<http://izo.sodisce.si/izo-web/spring/izracun?execution=e1s1>).

In case of late payment, EFIL sends three reminders. After the third reminder, EFIL starts the court proceedings to collect the debt with due interest. If the tuition fee is due after the 3rd reminder, **EFIL seizes to provide any service and reserves the right to discontinue the child's attendance until all the invoices are paid in full.** This is without prejudice to the case when a prior agreement is reached between the parent and EFL due to a force majeure situation.

Before the enrolment of a student for the new school year, all financial obligations of his/her family for the past academic year must be fully paid to the school.

Holiday day-care, school trips and outings are invoiced and paid in advance before the event. If an extracurricular service (e.g.: day care, extracurricular activities, Study, discovery class etc.) is not paid by the parents on time the child cannot attend it.

Both parents are required to sign this form unless there is a single legal representative.
